

FESTUS KIPROTICH DAVIS

DRIVER / MAINTAINER | MECHANICAL TRANSPORT SPECIALIST

PROFESSIONAL SUMMARY

Dedicated and safety-conscious Driver/Maintainer with over 10 years of experience operating a wide range of vehicles in transport and logistics environments. Holder of a valid Kenyan driving licence covering Classes BCE, D1, W3, proficient in both manual and automatic vehicles. Proven record of conducting vehicle first parades, performing preventative maintenance, and ensuring safe passenger and freight movement in compliance with traffic laws and regulations. Seeking to bring strong mechanical aptitude, reliability, and teamwork to the Mechanical Transport Department at BATUK, Nanyuki.

DRIVING LICENCE & VEHICLE COMPETENCIES

- Valid Kenyan Driving Licence — Classes: BCE, D1, W3 (obtained 2013)
- Proficient in driving all vehicle categories: passenger cars, coaches, troop-carrying vehicles (TCVs), cargo/SV vehicles — both manual and automatic
- Competent in vehicle first parade inspections: checking oil, coolant, tyres, lights, mirrors, reflectors and general roadworthiness before each journey
- Experienced in basic vehicle maintenance: changing canopies, light clusters, bulbs, reflectors, mirrors, and carrying out routine servicing
- Clean driving record; consistently compliant with all Traffic Laws and Regulations
- Willing to undertake further trade training including ADR (Dangerous Goods) licence and specialist vehicle training (Crane/Forklift) as required

PROFESSIONAL EXPERIENCE

Self-Employed Driver & Vehicle Maintainer | Transport Sector, Kenya | 2021 – 2026

- Operated a range of vehicle types for passenger transport and freight delivery, ensuring safe and timely movement at all times
- Conducted pre-trip and post-trip vehicle inspections (first parades) to identify and report faults before journeys
- Performed routine maintenance and minor repairs including tyre changes, light replacements, fluid top-ups, and general servicing
- Maintained vehicle logs and reported all incidents and faults to relevant stakeholders promptly
- Organised daily schedules and planned routes efficiently, demonstrating strong planning and resource management skills
- Upheld road safety standards and traffic regulations at all times with zero serious incidents

Driver – Flower Cargo Delivery | Sian Roses, Kitengela | 2017 – 2020

- Operated refrigerated cargo trucks to transport cut flowers from Sian Roses farm in Naivasha to Jomo Kenyatta International Airport (JKIA) cargo terminal for export
- Performed daily vehicle first parades, checking refrigeration units, tyre pressure, oil, coolant, and brake systems before each trip to prevent cargo spoilage or delays
- Ensured strict adherence to cold chain logistics protocols, delivering flowers within required temperature and time windows for international flight schedules
- Completed all cargo documentation, airway bill handovers, and security checks at airport cargo centres
- Coordinated with farm logistics teams and airline cargo agents to ensure smooth loading, offloading, and turnaround times
- Maintained a clean driving record with zero accidents or cargo loss over three years of high-pressure, time-sensitive deliveries

Driver & Transport Manager | Transport Operations, Kenya | 2015 – 2017

- Started as a driver and was promoted to Transport Manager based on demonstrated reliability, discipline, and leadership
- Managed a fleet of vehicles and coordinated transport logistics including passenger and cargo movements
- Supervised drivers, delegated duties, and ensured compliance with vehicle maintenance schedules
- Communicated effectively with clients, staff, and management to plan and deliver transport requirements on time
- Developed and maintained vehicle documentation including service records, incident reports, and movement logs
- Demonstrated teamwork and collaborative working across departments to meet operational goals

Promotion Assistant — Research Section | Kenya Seed Company, Kitale | 2010 – 2012

- Supported transport and logistics for field research and promotional activities across the region
- Assisted in coordinating vehicle movements and supplies for the Research Department
- Demonstrated punctuality, organisation, and effective communication when working within cross-functional teams

KEY COMPETENCIES

Communicating and Influencing (Lead Competence)

- Strong verbal and written English communication skills developed across multiple professional roles
- Ability to report vehicle faults, incidents, and operational matters clearly and promptly to line managers
- Experience liaising with clients, supervisors, and colleagues to coordinate transport plans and resolve issues

Working Together

- Proven team player with experience working within structured transport departments and logistics teams
- Promoted to managerial role reflecting trust, cooperation, and positive contribution to team objectives
- Flexible and willing to support colleagues, work shifts, overtime, and operate away from base station as required

Planning and Managing Resources to Deliver Results

- Managed daily transport schedules and vehicle allocation to ensure efficient and timely delivery of services
- Prioritised vehicle safety checks and maintenance to minimise downtime and prevent operational disruptions
- Demonstrated strong organisational skills and punctuality throughout career

EDUCATION

Kenya Certificate of Secondary Education (KCSE) | Kapkiano High School | 2004 – 2007

- Completed Form One to Form Four

Kenya Certificate of Primary Education (KCPE) | Tereben Primary School | 1996 – 2003

- Completed primary education

ADDITIONAL INFORMATION

- No medical impairments; physically fit and able to perform all duties required of the role
- Available to work shifts, overtime, unsocial hours, and away from duty station as required
- Willing to undergo all BATUK trade training, vehicle licence upgrades, and specialist training programmes

- Strong commitment to compliance with all Mechanical Transport Standing Orders and safety policies
